**Objet :** Fw: Environmental impact assessments of the 10-years extension of the operation of the of Doel 4 and Tihange 3 nuclear power reactors and the nuclear safety-related improvement works related to that extension (deadline 20-06-2023) - ESPOO

Dear Madam or Sir,

Thank you for your e-mail with the information regarding the "EIAs of the 10-years extension of the operation of the of Doel 4 and Tihange 3 nuclear power reactors and the nuclear safety-related improvement works related to that extension" which we have received.

Since our colleague Milan Muzikář is no longer working at the Ministry of Environment, we would like to kindly ask you to send any future e-mails and/or documents to the new Czech Espoo Convention focal point - [adela.prochazkova@mzp.cz](mailto:adela.prochazkova@mzp.cz) . Thank you.

The Czech Republic **will not participate** in the transboundary EIA procedure in accordance with the Espoo Convention in question. However, we would be grateful if you could send us information about the next steps and the outcome of the EIA process and/or the final decision (development consent) issued for the project.

Thank you very much for your cooperation.

With kind regards,

Adéla Procházková
