

Research into sustainable energy
and smart energy systems

Ronnie Belmans, CEO

Flemish research collaboration by:

VITO

- Energy Technology
- Sustainable cities

KU Leuven

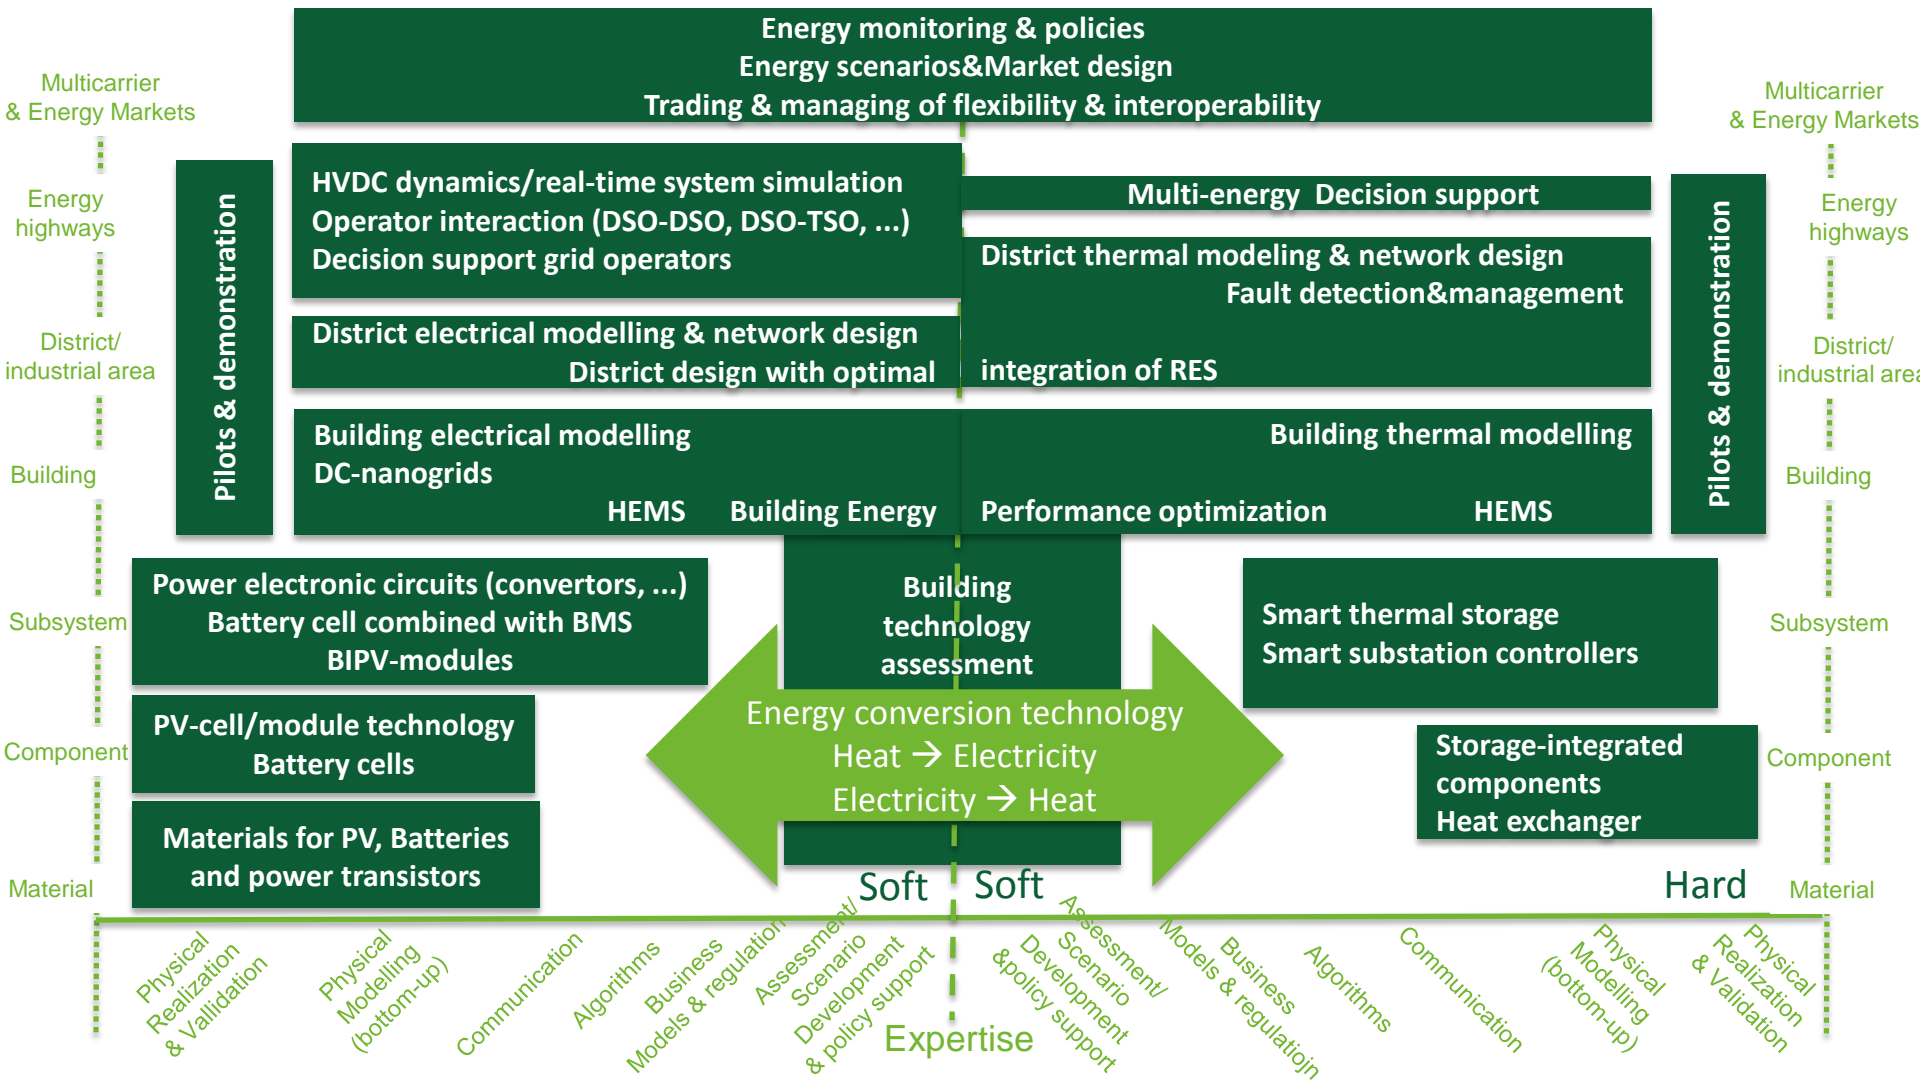

- Electa
- Building Physics
- Mechanics

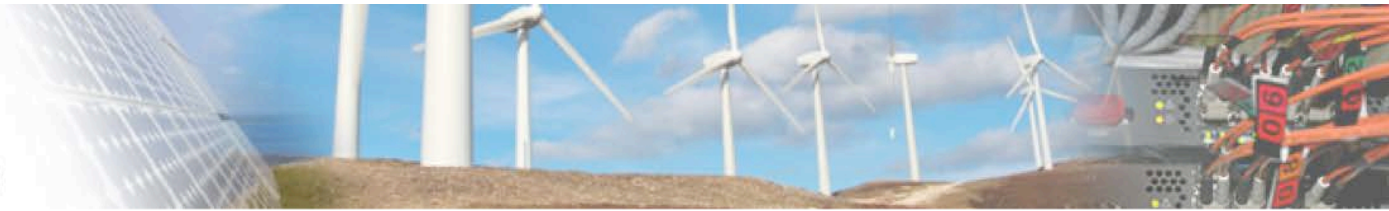

imec

- Photovoltaic research

UHasselt

- imo-imomec

GLOBAL SMART GRID FEDERATION

Accelerating the deployment of smart grids
around the world

Ronnie Belmans, Executive Director

Working Groups since 2016

- Aug 17: Microgrids
- Nov 16: Flexibility
- Aug 16: Cyber Security
- Jan 16: Power Grid Electrical Energy Storage

Upcoming:

- CBA for storage in grid services
- Smart grids as basis for Smart cities
